## Yourself to Science

A comprehensive open-source list of services allowing individuals to contribute to scientific research.
Browse our curated resources to find ways to share your data, genome, body samples, and more.

All of US
National Institutes of Health (NIH)

**Compensation:** Donation

United States | Genome | Health data

Contribute

Apple Research
Apple

**Compensation:** Donation

United States | Health data

Contribute

Badania Kliniczne

**Compensation:** Donation

Poland | Clinical trials

Contribute

### Body & Tissues Donation
Ministero della Salute

**Compensation:** Donation

Italy | Body | Tissue

Contribute

### Body Donation
Faculty of Medicine at the University of British Columbia

**Compensation:** Donation

Canada | Body

Contribute

### Body Donation; Tissue Donation
Department of Anatomy at the University Of Cambridge; Cambridge Biomedical Research Centre

**Compensation:** Donation

United Kingdom | Body | Tissue

Contribute

### ClinicalTrials.eu

**Compensation:** Donation

European Union | Clinical trials

Contribute

### ClinicalTrials.org

**Compensation:** Donation

Clinical trials

Contribute

### Donate Your Data for Health
Penn Medicine

**Compensation:** Payment

United States | Health data | Wearable data | Social media data | Search history

Contribute

**Ref(s):** [1] [2]

### Eggs, Sperm and Embryos Donation to Research

Human Fertilisation and Embryology Authority

**Compensation:** Donation

United Kingdom | Eggs | Embryos | Sperm

Contribute

### Ensayos Clinicos

**Compensation:** Donation

Spain | Clinical trials

Contribute

### Essais Cliniques

**Compensation:** Donation

France | Clinical trials

Contribute

### FluCamp

**Compensation:** Payment

United Kingdom | Clinical trials

Contribute

**Ref(s):** [3]

### GoodNature Program

**Compensation:** Payment

United States | Stool

Contribute

### Google Health Studies
Google

**Compensation:**
Donation

Health data

Contribute

### Health research and product development
Fitbit

**Compensation:**
Donation

Wearable data (Fitbit only)

**Instructions:**

1. Open the Fitbit app
2. Go to Fitbit settings
3. Select Manage data and privacy
4. Tap Data shared for research and development

### HealthStreet
University of Florida Health

**Compensation:**
Donation

United States Clinical trials

Contribute

### Human Hair Decompositionw
Department of Human Biology, University of Wrocław

**Compensation:**
Donation

Poland Hair

**Ref(s):** [4] [5]

Contribute

### International Clinical Trials Registry Platform (ICTRP)

**Compensation:**
Donation

Clinical trials

Contribute

### Klinische Studien

**Compensation:** Donation

Germany | Clinical trials

Contribute

### Klinische Studien

**Compensation:** Donation

Austria | Clinical trials

Contribute

### Microbiome

Australian Red Cross Lifeblood

**Compensation:** Donation

Australia | Stool

Contribute

### MyPHD

Stanford University

**Compensation:** Donation

Health data | Wearable data

**Ref(s):** [6]

Contribute

### Open Humans

Open Humans Foundation

**Compensation:** Donation

Genome | Health data | Wearable data

**Ref(s):** [7]

Contribute

### Placenta Donation
Wesley Research Institute

**Compensation:** Donation

Australia | Placenta

Contribute

### ResearchMatch
National Institutes of Health (NIH)

**Compensation:** Donation

United States | Clinical trials

Contribute

### SPARK for Autism
Simons Foundation

**Compensation:** Donation

United States | Genome | Health data

Contribute

### Stool Donation
Wesley Research Institute

**Compensation:** Donation

Australia | Stool

Contribute

### Studi Clinici

**Compensation:** Donation

Italy | Clinical trials

Contribute

### Studii Clinice

**Compensation:** Donation

Romania Clinical trials

Contribute
